

Teacher Appreciation Week Help Needed

This year, at the request of Ms. Costa and Mrs. Rabold, we're helping to shower our teachers and staff with love each day of Teacher Appreciation Week (the week of May 2nd) and we need your help. Rather than having families do small things throughout the week, that don't necessarily benefit all 130 of our teachers and staff, we are asking parents and groups to help us centralize the activities. We have a variety of things planned including a cookie bar, breakfast, luncheon, fruit infused water with a gift and a sweet and salty snack cart! This is where we need your help.

If you can help make this week a success please click the link below to sign up to donate any of the requested items. Non-perishable goods can be dropped off at Julie Cote's house (104 Wildwood Road) by Thursday, April 28th. All food items for the luncheon can be dropped off at BANCROFT on Wednesday, May 4th by 10:30 am.

Spring Fling: Welcome to the Jungle!

Bancroft students, grab your favorite adult dancers and come get wild (but not too wild!) at our Jungle themed Spring Fling on Friday, May 6th. Click the link below to reserve your tickets, as well as volunteer to help.

At the annual Spring Fling each year, the children love an annual tradition - they get to buy raffle tickets to potentially win a basket of goodies donated by our families. Click the link below if you're

interested in donating a themed basket.

Celebrating Dianne Caraviello's Retirement

Family to Family

**Promoting Equity and Inclusion
for Students of Low-Income Families**

Over the past 28 years, I have volunteered to help students from low-income families access school and community opportunities in Andover, MA. With the help of Claire Stahley and many others, we created the Family to Family program to promote equity and inclusion among students with educational and extracurricular activities.

As I celebrate my retirement from teaching this year, it is my wish to start a Family to Family Fund. Your donation will allow students from low-income families to experience life-changing learning opportunities alongside their peers. Learning opportunities may include tutoring, mentoring, before or after school programs, preschool, sports, the arts, and other needs which help level the playing field in their lives.

Please join us on May 26, 2022, at Salvatore's Restaurant, 354 Merrimack Street, Lawrence, at 6:00 p.m. to hear about our success stories and meet some of them in person!

Dinner & Donation \$100

With much appreciation,
Dianne Caraviello
