Recent Email Phishing Attempts

We have been made aware that several parents and staff have received erroneous emails as phishing attempts that appear to be from our PTO President, Sara Blais. Some of these emails may have subject lines that reference specific Bancroft events, and the message body could either ask for your availability or to send undisclosed amounts of money via cash or gift cards. **Please DO NOT reply to or interact with any links within these emails.** If you have any doubts as to an interaction with any member of the PTO over electronic sources, please feel free to reach out to us at communications@bancroftpto.org and we will look into them directly. Thank you!

HAVE NEWS TO SUBMIT TO THE BOBCAT? Email us at communications@bancroftpto.org. All submissions must be received by the end of the month to be included in the next monthly update.
