Last Day to Signup for the Play!

Today is the last day to register for the Bancroft play. Auditions will take place this Sunday, February 12, at ACT Infusion/Dance Infusion (19 Lupine Rd.) from 2:00-5:00pm. Students should each sign up [here](#) for a 10-minute audition slot.

Audition materials were sent out Wednesday to those who were signed up, if your child is auditioning and did not receive audition info, please reach out to communications@bancroftpto.org.

Bancroft Learning Labs

Registration for learning labs will be open until 2/17. We are excited to be offering both a lot of past favorite classes and several new classes. Click [here](#) to review the courses in more detail.

Once you decide which course your child(ren) would like to take, please select and pay for the appropriate course on this [sign-up](#). If you would like to sign-up for a class that is already full, please click on the wait-list option at the bottom and put the name of the class in the comment section.

We have had one class change. Math Bug is now being offered Mon and Fri afternoons instead of Tuesday mornings.

As always, the PTO has scholarships for students with financial needs, and can help coordinate rides for children with transportation needs. For more information about scholarships, please contact communications@bancroftpto.org.

For general questions about Learning Labs, please reach out to us at communications@bancroftpto.org.
