Volunteer Needed for Cultural Arts Assembly

Cultural Arts Volunteer Needed!

Discovery Museum: Force & Motion, Friday 3/24

We have an assembly coming up for Kindergarten that we need a volunteer for from at least 11:00AM - 3:15PM (or until they depart). You can come for the full day, too, if you prefer! [Click the link in the post to signup today!](#)

Students explore concepts of force and motion while interacting with a variety of toys and engineering their own toys that move in lots of different ways. Students play with how to make objects move and control that movement, and experiment with the effects of outside forces such as gravity and friction acting on that movement. 4 sessions total.
