## Classroom Locator

Add your child's teacher assignment to the  
**CLASSMATE LOCATOR**  
to see who will be in their room with them this year!

Today's the day! Classroom assignments will be released via Aspen **TODAY, Friday, August 11**. Traditionally, receipt of classroom assignments kicks off a lot of communication between parents trying to identify their children's classmates. The PTO is here to help make this process easier! Please access [this Sign Up Genius](#) to see each classroom; you can choose to add your child to the list and then check in to see who else will be joining them.
